Sir:

Applicant's attorney has received a "Decision on Petition" bearing a mailing date of March 31, 2003. Applicants' "Petition To Withdraw Holding of Abandonment..." was denied without prejudice. The stated reason for the denial was the failure to provide a docket

record of all USPTO responses due on the due date for reply to the communication at issue "(i.e., a listing of all replies due in the USPTO on 20 January 2002 for the recent case)." A copy of the requested docket record is attached hereto. Accordingly, the previously submitted "practitioner's statement" is hereby amended to reflect that the attached docket record is part of the documentary evidence submitted in support of the Petition.

Further, Applicants' attorney has been informed by his docket department that the term "Missing Parts" is a short form version of "Missing Requirements".

Finally, Applicants' attorney does not understand what in "Query 2" indicates "due dates" varying "from 2 months to 6 or 7 months for notices mailed in November." What appears on the docket record for each file is a 6-month "Final Deadline" date and a 2-month "Response Due" date.

Applicants request reconsideration and grant of the pending Petition in view of the foregoing.

Respectfully submitted,

By

Bradley B. Geist
